

ILIA STATE UNIVERSITY LIBRARY

GUIDE

Library Home Page > E-Library > Scientific Databases

The screenshot shows the Iliia State University Library website. The browser address bar displays `library.iliauni.edu.ge/en/`. The navigation menu includes: Home, About, Services, Reading Halls, Collections, E-Library, E-Catalog, News, Contact, Iliiauni, and flags for Georgia and the UK. The main content area features a large graphic of an open book on a laptop with various scientific database logos. A blue-bordered dropdown menu is open over the 'Scientific Databases' link, listing: Full Collection, Audio Collection, Video Collection, and Photo Archive. Other logos visible include Scopus, ISI Web of Knowledge, Journal Citation Reports, Thomson Reuters, ProQuest, ScienceDirect, IMF eLIBRARY, DOAJ, BioOne, Project Gutenberg, Project MUSE, Cambridge University Press, and EBSCO. Social media icons for Facebook, Twitter, and Google+ are on the right. At the bottom right, the text 'სამეცნიერო ბაზები' (Scientific Databases) is written in Georgian. The footer shows the URL `library.iliauni.edu.ge/en/scientific-online-databases/`.
